

HOW TO UPLOAD DATA SETS TO GOOGLE DOCS

STEP 1

The help videos provided throughout the resources for collecting and analysing data will work with Google sheets also.

Your first step is to create a Gmail account. You must be Aged 13+ to create and manage your own Gmail account so make sure you are with an adult when you are creating one.

If you already have a Gmail account skip to step 5.

Age requirements on Google Accounts

Below are the minimum age requirements to manage your own Google Account.

Note: For younger children, parents can help [create and manage a Google Account with Family Link](#). When a child reaches their country's minimum age, they can manage their own account.

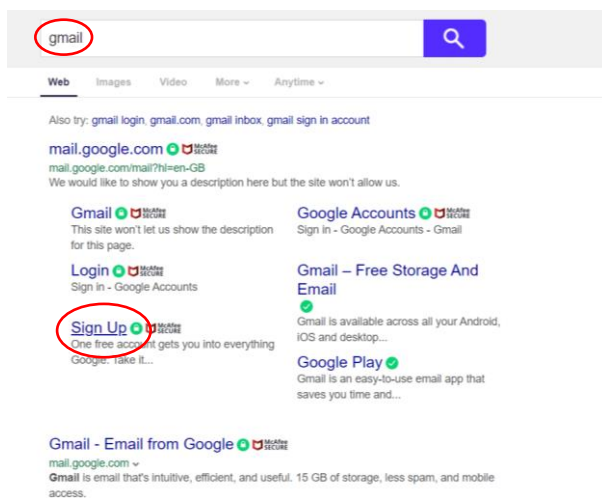

Find your country's age requirement

For all countries not listed below, 13 is the minimum age to manage your own Google Account.

Note: These requirements may not be applicable to G Suite users, including accounts in [G Suite for Education](#) domains.

STEP 2

Type 'Gmail' into the Google search bar and click on 'Sign up'.

STEP 3

With a parent/guardian, fill in the necessary details needed to create a Gmail account.

Google

Create your Google Account

STEP 4

You will now be able to access your Gmail account.

Gmail

Search mail

Compose, Inbox, Starred, Snoozed, Sent, Drafts, More

Primary, Social, Promotions

Your Primary tab is empty. Personal messages and messages that don't appear in other tabs will be shown here. To add or remove tabs click [inbox settings](#).
